

# JOIN THE QUINYX REVOLUTION: FUN AND EFFICIENT STAFF MANAGEMENT

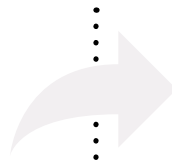

## 6% LESS PAYROLL ERRORS

Over payments and errors in payroll calculations can become a thing of the past.

## 9 HOURS SAVED EVERY WEEK

Your managers will save more than one day a week in tasks and time related to managing their workforce.

## 5% INCREASE IN SALES

Efficiencies in staff management will increase the happiness of your staff and improve customer satisfaction.

## 20% INCREASE IN CUSTOMER FACING TIME

It stands to reason that if you need less time in front of a computer or filling in forms your managers and staff can spend more time with your customers.

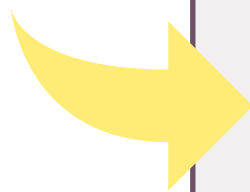

## 100% IMPROVED COMMUNICATION

The pieces of paper on the wall, hand notes and word of mouth will be replaced with trackable notifications to communicate about shifts and tools to share rota information much more effectively.

## 40% INCREASED VISIBILITY

With the mobile app your staff can see exactly who is needed and when, how their absence will affect the shift and what extra work opportunities there might be. Your managers can see how all these things will affect the business and profitability.

## 5% REDUCED EMPLOYEE COST

Efficiencies in staff management will not only bring more sales opportunities, but can increase the happiness of your staff that improve customer satisfaction. They are more likely to buy again!
